PHOTO RELEASE
Because the Baldwinsville Sharks Website – <a href="http://bvillesharks.org">http://bvillesharks.org</a> – has expanded greatly and will continue to expand, we want to add pictures from our meets and events to our site. Photos may have captions and include swimmer names. Additionally, we may release photos to some of the local newspapers to celebrate our swimmer's successes. As a result, parents or guardians who DO NOT wish to hae their child's full name and/or photograph on the website must notify the Baldwinsville Sharks Swim Club, Inc. of their wishes.
Please note: This must be done with EVERY Season's registration. Requests to withhold any information and/or photos will not carry over to the next season. If you sent a request last season and still do not want your child's photo or name on the website, you must submit a new request for the current season.
Please check the appropriate response: Yes, I give my consent to use photos and/or name of my swimmer on the club's website and for any releases to the local media. NO, Please DO NOT use any photos and/or name of my swimmer on the club's website and for any releases to the local media.
